

PRE-LORNE AUSTRALASIAN PROTEOMICS SOCIETY 2012 WORKSHOP
on
MALDI IMAGING

sponsored by

BIOPLATFORMS AUSTRALIA
and
BRUKER DALTONICS

Venue: Bio21 Molecular Science & Biotechnology Institute Auditorium
30 Flemington Road. The University of Melbourne. Parkville VIC 3010
Date: Wednesday, February 1st 2012

Program

| | |
|-------------|--|
| 09:00-09:30 | Registration |
| 09:30-09:45 | Welcome & Introduction (Bioplatforms Australia representative, APS President, Workshop Convenor) |
| 09:45-10:45 | Per Andren (Uppsala University, Sweden) <i>MALDI imaging</i> |
| 10:45-11:15 | Morning tea |
| 11:15-12:15 | Peter Hoffmann (University of Adelaide) <i>Peptide MALDI Imaging</i> |
| 12:15-12:45 | Mark Condina, (Bruker Daltonics) <i>Proteomics through Integrated MALDI and ESI. Linking Protein Imaging with Top down and bottom up proteomic workflows for Biomarker Identification</i> |
| 12:45-13:30 | Lunch |
| 13:30-14:00 | Julia Grassl (University of Western Australia) <i>MALDI imaging of proteins in plant senescence</i> |
| 14:00-14:45 | Brett Hamilton (Mater Hosiptal) <i>Some Different Uses of Imaging Mass Spectrometry</i> |
| 14:45-15:15 | Afternoon tea |
| 15:15-15:45 | Johan Gustafsson (University of Adelaide) <i>Technical considerations for MALDI imaging</i> |
| 15:45-16:15 | Stephan Meding (University of Adelaide) <i>MALDI imaging in clinical research</i> |
| 16:15-16:30 | Summary & Close |

To register, those attending the Lorne Conference should do so via the website:

www.australasianproteomics.org

Registration for those not attending the Lorne Conference should email michelle.colgrave@csiro.au
